2025 Deerfield Fair Professional Operators Excavator Rodeo

- **Entrants must have three or more years professional experience.**
- We will call references to verify experience for any operators not known to us.
- Field Limit: 25 with no geographic restrictions. When 25 verified entries are received, the field will close.
- Entries open when announcement is published on www.DeerfieldFair.com
- We will try to set aside time for brief practice slots starting when venue is available, excavator positioned. Competitors sign up for time slots that day.
- For first round of competition, order determined by drawing.
- For second and third rounds, order is reverse order of finish in prior round. The eighth longest time for the first round will go first in the second round, followed by the seventh longest time, etc.

Obstacles Will Be "Like" and Are Subject to Change

- First round:
  - Picking and placing kettle bells with time limit
  - Scored on time and violations. Time penalty for each moved target
  - Eight lowest scores go to second round
- Second round:
  - Picking balls off pylons, dropping in trash barrel with time limit
  - Scored on time and misses. Time penalty for each dropped ball.
  - Three lowest scores go to third round.
- Third round:
  - Serving milk from bottle mounted in shovel.
  - Scored on weight of milk in glasses with no time limit.
  - Results in first, second and third place.
