DEERFIELD FAIR ASSOCIATION, INC.

Pre-Registration Form for Campground Trailer Parking / Camping — 2026

Mailing Address: PO Box 156, Deerfield, NH 03037-0156 | Email: deerfieldfair@deerfieldfair.com

Camp sites are limited, so making a reservation in advance is strongly recommended, particularly for hookup sites. Sites are assigned in the order reservations are received. **If you show up without a reservation, it is unlikely that we can accommodate you.** Hookup sites offer water and 15/30/50-amp electrical service. Upon your registration being accepted, you will be emailed a confirmation with your unique site identifier.

Campground Rules & Regulations

Please retain this page for your records

The following rules and policies have been established to ensure a safe, enjoyable experience for all campers. Site selection is based on the order in which registrations are received. **If you show up without a reservation, it is unlikely that we can accommodate you.**

Those not complying with these rules will be removed from the area at their own expense (no refunds will be given), and no exceptions will be made.

1. Only one vehicle is permitted per camping spot. Any additional vehicles must be parked in general parking at no additional fee.
2. Campers may arrive as early as the Saturday before the fair at no additional charge, as long as the camper remains unoccupied and is not connected to utilities. From Wednesday through Sunday of fair week, trailers/campers are charged for each night regardless of whether they are occupied or connected to utilities. No refunds will be given.
3. Trailers shall be parked vertically to each other. A clear roadway between rows shall be maintained to allow vehicles to pass safely.
4. Quiet hours begin at midnight. No unreasonable noise will be tolerated after midnight. This rule is strictly enforced and no warning will be issued. Two or more complaints against a trailer/camper is sufficient grounds for removal from the area.
5. No alcohol is permitted on the fairgrounds.
6. Maximum speed limit for vehicles in the trailer/camping area is 5 MPH.
7. All campers are responsible for the cleanliness of their respective areas.
8. Storage vehicles, supply trucks, concession stands, etc. must be parked outside the trailer/camping area, or they will be charged the same rate as a trailer/camper.
9. It is the responsibility of everyone residing in the trailer/camping area to be aware of, and adhere to, these rules.
10. Anyone found sleeping in trucks/cars on the fairgrounds will be charged at the rate of $25.00.
11. No clotheslines may be strung in the campground/trailer parking area.
12. All storage vehicles are subject to inspection by the Trailer Parking Superintendent/Assistant Superintendent regarding use as living quarters; if found to be used as such, the appropriate fee will be charged.
13. Violation of any of these rules is cause for immediate removal of the offender from the trailer/camping area. If a tow truck is required to remove the offending trailer/camper, the owner is responsible for the costs incurred.
14. The Deerfield Fair Association, its officers and members, assume no responsibility for any injury to persons, damage to property, or any loss incurred while residing at the fairgrounds. Those staying within the trailer/camping area do so at their own risk.
15. All persons staying in the camping area who are over the age of 12 and wish to enter the Deerfield Fairgrounds must purchase a ticket.
16. No refunds will be given, per the Board of Directors of the Deerfield Fair Association.
17. Do not drive through sites, past electrical outlets, or over water lines. Do not dump tanks on the ground — violators will be referred to security personnel and will be removed from the property.
18. No illegal drugs are allowed. Any possession or use will be referred to security personnel, and the offender will be removed from the property.

All campers and RVs must use back-flow valves on water hook-ups to main water systems. State law requires that all campers have portable or permanent holding tanks for sewage or gray water.

Camper Parking Notice

There is no longer camping available in the Fairfield lot (across the street).

Fire Stop Notice

The Board of Directors has received regulations from the Town of Deerfield's Fire Chief requiring a ten-foot fire stop, defined as a clear distance between and around camping structures. No structures of any type — including picnic tables, chairs, vehicles, stock, gear, or anything else — are allowed in the fire stop area.

Dog / Pet Policy — Annual Fair

No pets are allowed on the fairgrounds; service animals only (no support animals).

It is the preference of the Deerfield Fair Association that you leave your dog(s) or other pets at home during set-up and official fair hours. If you must bring pets during these timeframes, it is your responsibility to ensure they are properly cared for and do not create a nuisance. For safety and public health reasons, your dog(s)/pet(s) must be kept inside your camper/trailer at all times during official fair hours. Walking pets is permitted only in the morning prior to the fair opening and in the evening after the fair closes for the night. All pets must be kept on a leash at all times when outside your camper/trailer and should never be left unattended. You are responsible for cleaning up after your pet(s) during permitted walking times. If a pet is seen outside your camper/trailer during official fair hours, or is heard creating a nuisance inside your camper/trailer during these hours, the owner/violator will be assessed a $100.00 fine and/or may be asked to leave the fairgrounds immediately. Security is responsible for enforcing this policy, and any decisions regarding fines or removal are final.
